

Costa Deliziosa

The shape of perfection.

What does pleasure look like? For the sculptor Arnaldo Pomodoro it's a bronze sphere that shines in the elegant hall. For the architect Joseph Farcus, who designed the hall, it's an embrace of wood, light and surfaces: natural and soft in the daytime, warm and passionate in the evening. For the artists on board it means magical delightful places with intriguing female figures that give life to breathtaking paintings, installations, photographs and sculptures. Pleasure, for us, means seeing the joy in your eyes. And what about you? Come and choose what pleasure means to you from all the delights on board. You'll be seduced and bewitched but most of all your dreams will come true. Costa Deliziosa is a true delight: a diamond in the fleet designed to give you a unique experience and a dream holiday.
